

General Rental Information

RR#2, 22354- Twp Rd 492 New Sarepta, AB T0B 3M0
For Sales and Equipment availability call Andy @ 780-818-1700

HAULING, MAINTENANCE AND REPAIRS:

The Lessee is responsible for the cost of all hauling, maintenance, operational and repair expenses for the equipment including field service and travel time, meals, sleeping accommodations and mileage for personnel involved.

Lessee shall fully indemnify the Lessor for any work-orders, garagekeepers' liens or other liens against the equipment arising by reason of or while in the Lessee's possession.

INSURANCE & REGISTRATION:

The Lessee, at their own expense, shall immediately insure the equipment for the appropriate amount and provide proof in writing to the Lessor. Insurance will name the Lessor as additionally insured. Lessee shall supply ALL RISK insurance with confirmation emailed to akellert@hltrentals.com

Lessee shall be responsible for and shall maintain current and adequate certifications and registrations in accordance with all provincial and federal regulations.

CREDIT INFORMATION:

The Lessor may acquire, collect and obtain credit and personal information about the Lessee(s) as it may deem necessary in connection with the credit applied for or any renewal or extension relating to the enforcement of the Equipment Rental Agreement.

SPECIAL CONDITIONS:

1. Any excess tire wear or damage will be assessed by a third party and billed to the lessee.
2. Lessee is responsible for any damage to unit howsoever caused. Mechanical repairs costs needed, that are considered beyond normal wear and tear by the Lessor, will be charged back to the Lessor at a rate of \$170.00/hr.
3. Rented unit(s) must be returned to yard washed and cleaned (interior & exterior). If unit requires washing or detailing (ie. Removing Lessee decals or gear, etc.) upon return, then labour will be charged back at \$100.00/hr.
4. All units are rented with fuel tanks at 100% capacity. Equipment returned with less than 100% will be refilled by the Lessor and the Lessee will be charged back for all re-fuelling costs incurred by Lessor.
5. All operational equipment requested to be supplied by Lessor remains the property of the Lessor. Should said equipment not be returned or returned damaged then the Lessor will replace equipment and the Lessee will be charged back the costs incurred to replace.
